Sir:

Petition is made, hereby, to accept the Declaration of Inventorship submitted concurrently herewith. The Declaration of Inventorship is executed by inventors Wolf-Georg Forssmann, Ludger Standker, Maik Obendorf, Lothar Kling, and Hans-Georg Opitz, on their own behalf and on behalf of non-signing inventor Hossein Mostafavi. The reason for submitting the instant Petition is that the non-signing inventor could not be found or reached at his last known address – Fraunhoferstr. 8, Hanover 30163, Germany – after diligent effort, the facts of which are set forth in the attached declaration under 37 CFR 1.47, by Prof. Dr. K.-D. Döhler.

Favorable action is requested.

Respectfully submitted,
